Express Employment Professionals Opens Office in Holland

HOLLAND, Mich., September 11, 2009 – Express Employment Professionals is opening a new office in Holland under the ownership of Amy Pierce.

Express will assist local job seekers in finding jobs and recruiting qualified employees for businesses in the area. Express offers full-time recruiting and interviewing, as well as traditional temporary staffing in a variety of fields, including administrative, professional, and manufacturing services.

Amy joined Express Employment Professionals in 2003 as an Employment Specialist and quickly moved through the ranks to the Director of Training and Development before purchasing an Express franchise. Previously, she worked in the career services field at a local college assisting students and graduates in their employment search and instructing courses in employment skill development.

Amy said it was Express Employment Professional's "ethics and dedication to the local community" that attracted her to the company in the first place, and these values coupled with the "effective mentoring and leadership from Janis Petrini", the owner of the Grand Rapids Express office, that enticed her to purchase an Express franchise.

The Holland office, located at 162 East 8th Street, is currently interviewing applicants. For more information on job openings or to find top talent, stop by the office, call (616) 396-6305, or visit the Express website at <http://hollandmi.expresspros.com>.

Worldwide, Express Employment Professionals employs 350,000 people each year, with more than 600 offices in four countries and a 25-year commitment to respecting people and impacting business.

Sales for the Oklahoma City-based company totaled nearly \$2 billion in 2007. Express provides expertise in evaluation and direct hire, contract and flex staffing, recruiting, and human resources.
